Message from Headteacher

Congratulations

Congratulations to Mr Kelly & Mrs Kelly who announced that they are expecting a baby in the Spring. Miss Sarah Davis has also made an announcement and is due to have her first baby next year.

We send congratulations to them all on behalf of our school family.

Commendation

A huge thank you to our Year six pupils who certainly let their lights shine on the residential trip last week. Staff returned to school and were so proud of the commendations our pupils received on their behaviour and conduct. Our Year six children were attentive, responsible and focused with one of the chief instructors commenting that he actually thought our school party was the best he had seen during his many years at the Glan Llyn Centre. I am delighted that they were such amazing ambassadors for our school. They are a credit to themselves, their families and their school.

Parents' Evening

Just a reminder that booking is open for this term's Parents' Evenings. Your child's updated learning targets will be shared with you at this point. We look forward to welcoming you into school for Parents' Evenings. Appointments may be booked online. Please speak to the school office if you have any issues with making appointments.

Clubs

We have had children informing staff that they are unable to come to after school clubs for a variety of reasons. If your child has been booked into one of our school after school clubs and is unable to attend, please ensure that you email (admin@hooleprimary.cheshire.sch.uk) or telephone the school office on 01244 323890 to let us know.

We need confirmation from a parent/carer if a child is not attending for safeguarding purposes. Also, given the demand for club places, if it likely to be a regular issue that your child cannot attend, please consider letting us know so we can allocate their place to someone else.

Head Lice

We urge all families to regularly check children's hair for head lice. Some of us will be old enough to remember when School Nurses came and checked children's hair in school but sadly this is no longer the case.

If you do detect lice, please check all family members and treat accordingly.

Advice and guidance relating to head lice is available via this link: www.nhs.uk/conditions/head-lice-and-nits/

They are looking for volunteers before the fair to help set up, during the fair to hold a stall during the fair and after the fair to tidy up afterwards.

Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact.

The only way to be sure someone has head lice is by finding live lice. You can do this by combing their hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

Head lice can make your head feel itchy and like something is moving in your hair.

THE FACTS OF LICE

Treat head lice as soon as you spot them. You can treat head lice without seeing a GP. You should check everyone in the house and start treating anyone who has head lice on the same day.

There's nothing you can do to prevent head lice but you can help stop them spreading by wet or dry combing regularly to catch them early.

Medicated lotions or sprays kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online.

Head lice should die within a day. Some lotions and sprays come with a comb to remove dead lice and eggs.

The poster features a warm autumn theme with a background of yellow and orange sunbeams radiating from a large orange sun. A large orange pumpkin sits in the center, flanked by a red squirrel on the right and autumn leaves and berries on the left. The entire scene is framed by a decorative border of orange, blue, and red. The word 'Harvest' is written in a large, elegant script font, while 'COLLECTION' is in a bold, blocky font. Below this, 'FOR CHESTER FOODBANK' is written in a smaller, bold font. A line of text states that donations to the school will be used to help local families in need. At the bottom, a dark brown banner lists the types of donations welcome, arranged in two columns. The banner is decorated with autumn leaves on the left and right sides.
