

Hoole Church of England Primary School
**What do pupils in our Punctuality & Attendance Crew say
about attendance and punctuality?**

“I think it is important because you learn more if you’re on time and if you’re late you will miss lessons.” ILAN

“It’s important to be on time because school is an educational place and if you’re late you miss lessons and the register. You will be rushing and won’t get school time with your friends.” CHARLOTTE

“The more you come, the more you learn. I love golden tickets.” MOLLIE ANN

“School is for learning. If you don’t go to school, you can’t learn properly. It’s important to be on time in school because you may miss spellings and then your writing may be wrong.” AIMEE

“I think it’s good to be on time to school so you can learn more. If you are not in school every day it can affect your friendships. If you are off, you may feel a bit confused when you come back.” FRANCESCA

“I think it is important to be on time because if you are late, then that could be half of a lesson missed and that could add up. Being late also takes away the time with your friends before school. It is also good for life because if you are late, you might miss a bus or train.” LEON

“I think being in every day is important because you will get a golden ticket and you will not miss anything. It is good to come early because you can talk to friends in the morning.” ISABELLA

“I think it is important to be on time for school so you can talk to your friends and you can learn new things.” OLLIE

“I think it’s good to be on time because you miss spellings and you don’t get a golden ticket. Maybe ask someone to help you prepare to get to school on time. MAISY

“It’s a good idea to get your bag packed the night before and to get your clothes ready.” ILAN

“I think is important to be on time because spellings and times tables help you to revise.” MAHFUZ

“If your alarm clock is set for the wrong time and you can’t get up, that may affect you being on time as well.” MAISY
