Summer Fair

The Summer Fair was a great success last week. Thank you to volunteers, staff and families for supporting this event. A huge thank you to the Parent Teacher Association who worked so hard to plan the fair, starting many, many weeks in advance. The weather was fantastic and we raised a tremendous sum as a result of the brilliant turn out.

Every penny of the money raised will be spent on enriching our school resources and curriculum for our pupils. Thank you all!

Congratulations

Congratulations to the players who scored another victory for our school this week. Our Year 6 football team were exceptional, not just in the way they played, but also in the manner in which they conducted themselves. The opposing team's players were obviously very disappointed but our boys showed compassion and supported them with a guard of honour as they received their medals.

September

I have written to families today confirming classes for September. Over coming weeks, your child will have the opportunity to meet their new teacher in preparation for a smooth start after the summer break.

National Education Union Strike Action

You may be aware that the National Education Union has announced strike action for Wednesday 5th and Friday 7th July. Our school is unaffected by strike action on these dates. All children should attend school as normal on 5th and 7th July.

Sports News

Tuesday night proved to be one of Hoole Primary School's highlights of the year when our Year 5/6 Boys' Football Team travelled to Blacon to play against The Arches Primary School in the Chester Schools' Cup final.

Coach Mr Attwood and Mrs Flanders, along with super parental support were blown away by the class of the football displayed by our quality team. Right from the kick off, the boys were on the front foot and exhibited a master class in passing, tackling, shooting and goalkeeping.

After such a scintillating match the score at the final whistle was 7-0 to Hoole which including a hatrick from Ethan, one of which was a terrific strike outside the penalty box.

They also showed wonderful teamwork and camaraderie combined with great sportsmanship towards our opponents. They were excellent ambassadors for our school.

Well done boys! We are all so proud of you!

On Monday, we took 20 athletes to Ellesmere Port Sports Village to compete in the Chester School Athletics Competition.

There were over 20 schools at the event and the competition was fierce. All the children performed really well and many just missed out on a place in the final. Jessica (Year 6) and Harry (Year 4) reached the final of their sprint race and both came second!

A fantastic achievement.

PATCH News

Thank you so much to everyone who supported our PATCH plant sale on Thursday. All plants sold had been grown from seed by our children from EYFS through to Y6.

Our amazing Year 5 sales team did brisk business, completely selling out! We raised an amazing total just shy of £100 which be spent on supplies for the new school year.

Watch out for the produce sale in September when our harvest is ready!

Please ensure that all children come to school every day with a water bottle, cap and sun cream (weather dependent). Children should wear their fully PE kits every day during Sports Fortnight. Please ensure that PE kits are fully compliant with the school PE policy.

Midsummer Madness!

We are so excited to be participating in the Midsummer Watch Parade this weekend! We had a visit from Lucy Jones, a local artist, who held a workshop to help the children make their masks and props for the parade earlier this week.

Chester's Midsummer Watch Parade is one of Britain's oldest festivals – a tradition reflecting 500 years of the city's history. Over 400 local people are involved in this moving portrait of historical events, local legends, biblical and other mythical characters - We will be the Green Men!

The parade begins in Town Hall Square at 2pm and will travel through the streets of Chester City Centre until 3pm. For further information about this amazing event, please visit

Henry Class Visit Made In Italy

It was the turn of Henry Class to visit Made in Italy earlier this week for some pizza making madness! The children had a wonderful time, kneading their dough and selecting their toppings!

A big thank you to the staff from Made in Italy for making our children so welcome and providing them with such special experience!

Letting Their Light Shine

Our superstar gymnast, Beau, competed in the first Gymnastics competition of the season coming first on floor, second on vault and third on bars. She came fourth overall - what an amazing achievement!

Elsie had her long hair cut short and donated it to the Little Princess Trust, a charity who make wigs for poorly children. She also fundraised to cover the cost of the wig making. What a kind and generous gesture!

We have three superstar swimmers this week - Kian, Anna and Arlo all progressed to the next level!

Oliver performed in Razzmataz's version of Aladin last weekend at Ellesmere Port Civic Hall. He sung and danced his heart out over several performances!

Ethan, Ollie, Sam and Morgan played in a football tournament last weekend in rival teams. Upton proved victorious after the penalties, winning them the trophy!

Ilektia represented our school in a charity concert last week in aid of breast cancer. She played beautifully and helped raise just under £500!

Maisie scored four goals for her team, Upton Junior Wildcats last weekend, earning her the Player of the Match trophy!

Well done everybody!
