Friendship

This term, we are focusing on our school value of friendship. Children will participate in worship sessions, class discussions and learning about Bible characters and significant individuals with real life stories to tell that show friendship.

Our school Friendship Force is due to meet with Mrs Robertson and Miss Taylor over coming weeks to plan for the year ahead. Our Friendship Force helps us to ensure that every child in our school family is happy and cared for in every part of our school, but particularly during playtimes and lunchtimes. The Friendship Force representatives have special lanyards which they wear so that anyone in need to help with friendship issues can spot them easily. Friendship Force members, who have been appointed following a full application process, where they matched their own skills and personal qualities to the job and person specification for the role, are always alert to others who may be in need of support.

We have a huge world map in the centre of our school. We are keen to add to the map where we families in our school have friends or relatives overseas. If you have family living in other countries, we would love to add you to the board.

If you would like to be added, please let us know where the family are (country and city/town they live in) and, if possible, send a photograph in of your child with their overseas relatives, or even just a photo of the relatives themselves. Photographs and information can be handed in or emailed to the school office. They will then be displayed on our "Friendship & Love Near and Far" board. Thank you in advance to anyone who can support this by sending in information or photographs.

Exciting news on the way!

We have got exciting news coming next week about a new cabin which has been installed on our school playground. We are currently in the process of a whole school vote to decide on the name for our new space and next week's newsletter will tell you all about it!

Appeal

If any family has a small or medium sized electronic keyboard which they could donate to school for use by one of our children, it would be gratefully appreciated. Please let the school office know if you can help with this.

Parking

Parents and carers will know that we work hard to manage traffic, parking and road safety around our school site. You will be aware that we manage this independently as there is little help available from other agencies.

Please may I continue to ask parents and carers to park responsibly to keep our children safe and to ensure that we maintain positive relationships with the residents who live close to our school. I am so grateful for your ongoing support and cooperation with this.

Celebrations

It is always a pleasure to see how our amazing pupils shine, not just in school, but in so many activities beyond school. If your child has achieved a certificate, achieved something special or done something they are very proud of, please let us know so that we can celebrate their perseverance, enthusiasm and hard work with them. We are so proud to have them all!

Grandparents,
Parents, and
Carers, you are
invited to join us
for a good old
sing-song!

Our Sing-Along-
Shine-Along
sessions are a new
event aimed to
bring communities
and generations
together for some
fun and smiles!
