

## Message from Headteacher

### **Welcome Back, Mrs Kelly!**

It has been a great pleasure to welcome Mrs Elaine Kelly back to work following her maternity leave. Mrs Kelly received a very warm welcome back from children in a recent assembly!

### **School Food Group**

In our recent Ofsted inspection, we were highly commended on the many ways in which pupils contribute to our school. We have an array of pupil forums which help us to drive improvement and embed initiatives.

The latest Pupil Forum to be added to the list is the School Food Group. This forum will work with a designated governor, our school caterers and lunchtime supervisors to identify improvements to the lunchtime experience.

Congratulations to Oscar, Molly, Amelie, Eadie, Ivy W, Daisy, Elise, Noah, Ivy M and Eli who have been appointed to the School Food Group.

### **The UK Sepsis Trust Campaign - Just Ask: Could it be Sepsis?**

From time to time, we remind families to be alert to the symptoms of Sepsis.

Sepsis is a life threatening condition which can lead to shock, multiple organ failure and even death if not recognised and treated promptly.

There is no single sign or diagnostic test, and sepsis is indiscriminate: while it primarily affects very young children, older adults, and people with underlying health conditions, it can sometimes be triggered in those who are otherwise fit and healthy.

Sepsis always starts with an infection, such as chest infections or UTIs. It is not known why some people develop sepsis in response to these common infections whereas others don't. More information is available from the Sepsis Trust on this link: [www.sepsistrust.org](http://www.sepsistrust.org)

## PE Lessons

Children should come to school in PE kit on the days they have PE lessons. Please see the changes in the timetable above.

Thank you for supporting us in ensuring that your child's school uniform, PE kit and school shoes are in line with our school uniform code.

Our PE kit is as follows:

Indoor: plain white t-shirt, black/navy shorts, pumps or trainers.

Outdoor: plain tracksuits (navy/royal blue or black). No hoods.

## Forest School

Children should come to school in suitable outdoor clothes on the days they have Forest School sessions. Please see the timetable above.

Suitable outdoor clothes include:

Long trousers such as leggings, jogging bottoms or waterproof trousers etc.

School Branded Jumper or Cardigan

Waterproof coat (not just "showerproof")

Wellies/Outdoor shoes

Gloves/hats if the weather is cold

On Monday, the Year 1 children visited the Grosvenor Museum as part of our topic on Toys from the Past. We had a fantastic day!

The children thoroughly enjoyed the walk and spotting the local features of Chester as we travelled along the canal-side, such as the water tower.

The children enjoyed exploring how Victorian children lived in the period house. We then learnt about different toys from the past and had the chance to play with them. The children then got creative and made their very own kaleidoscopes.

The children had a wonderful day and behaved exceptionally. We are extremely proud of them.

# WORLD BOOK DAY

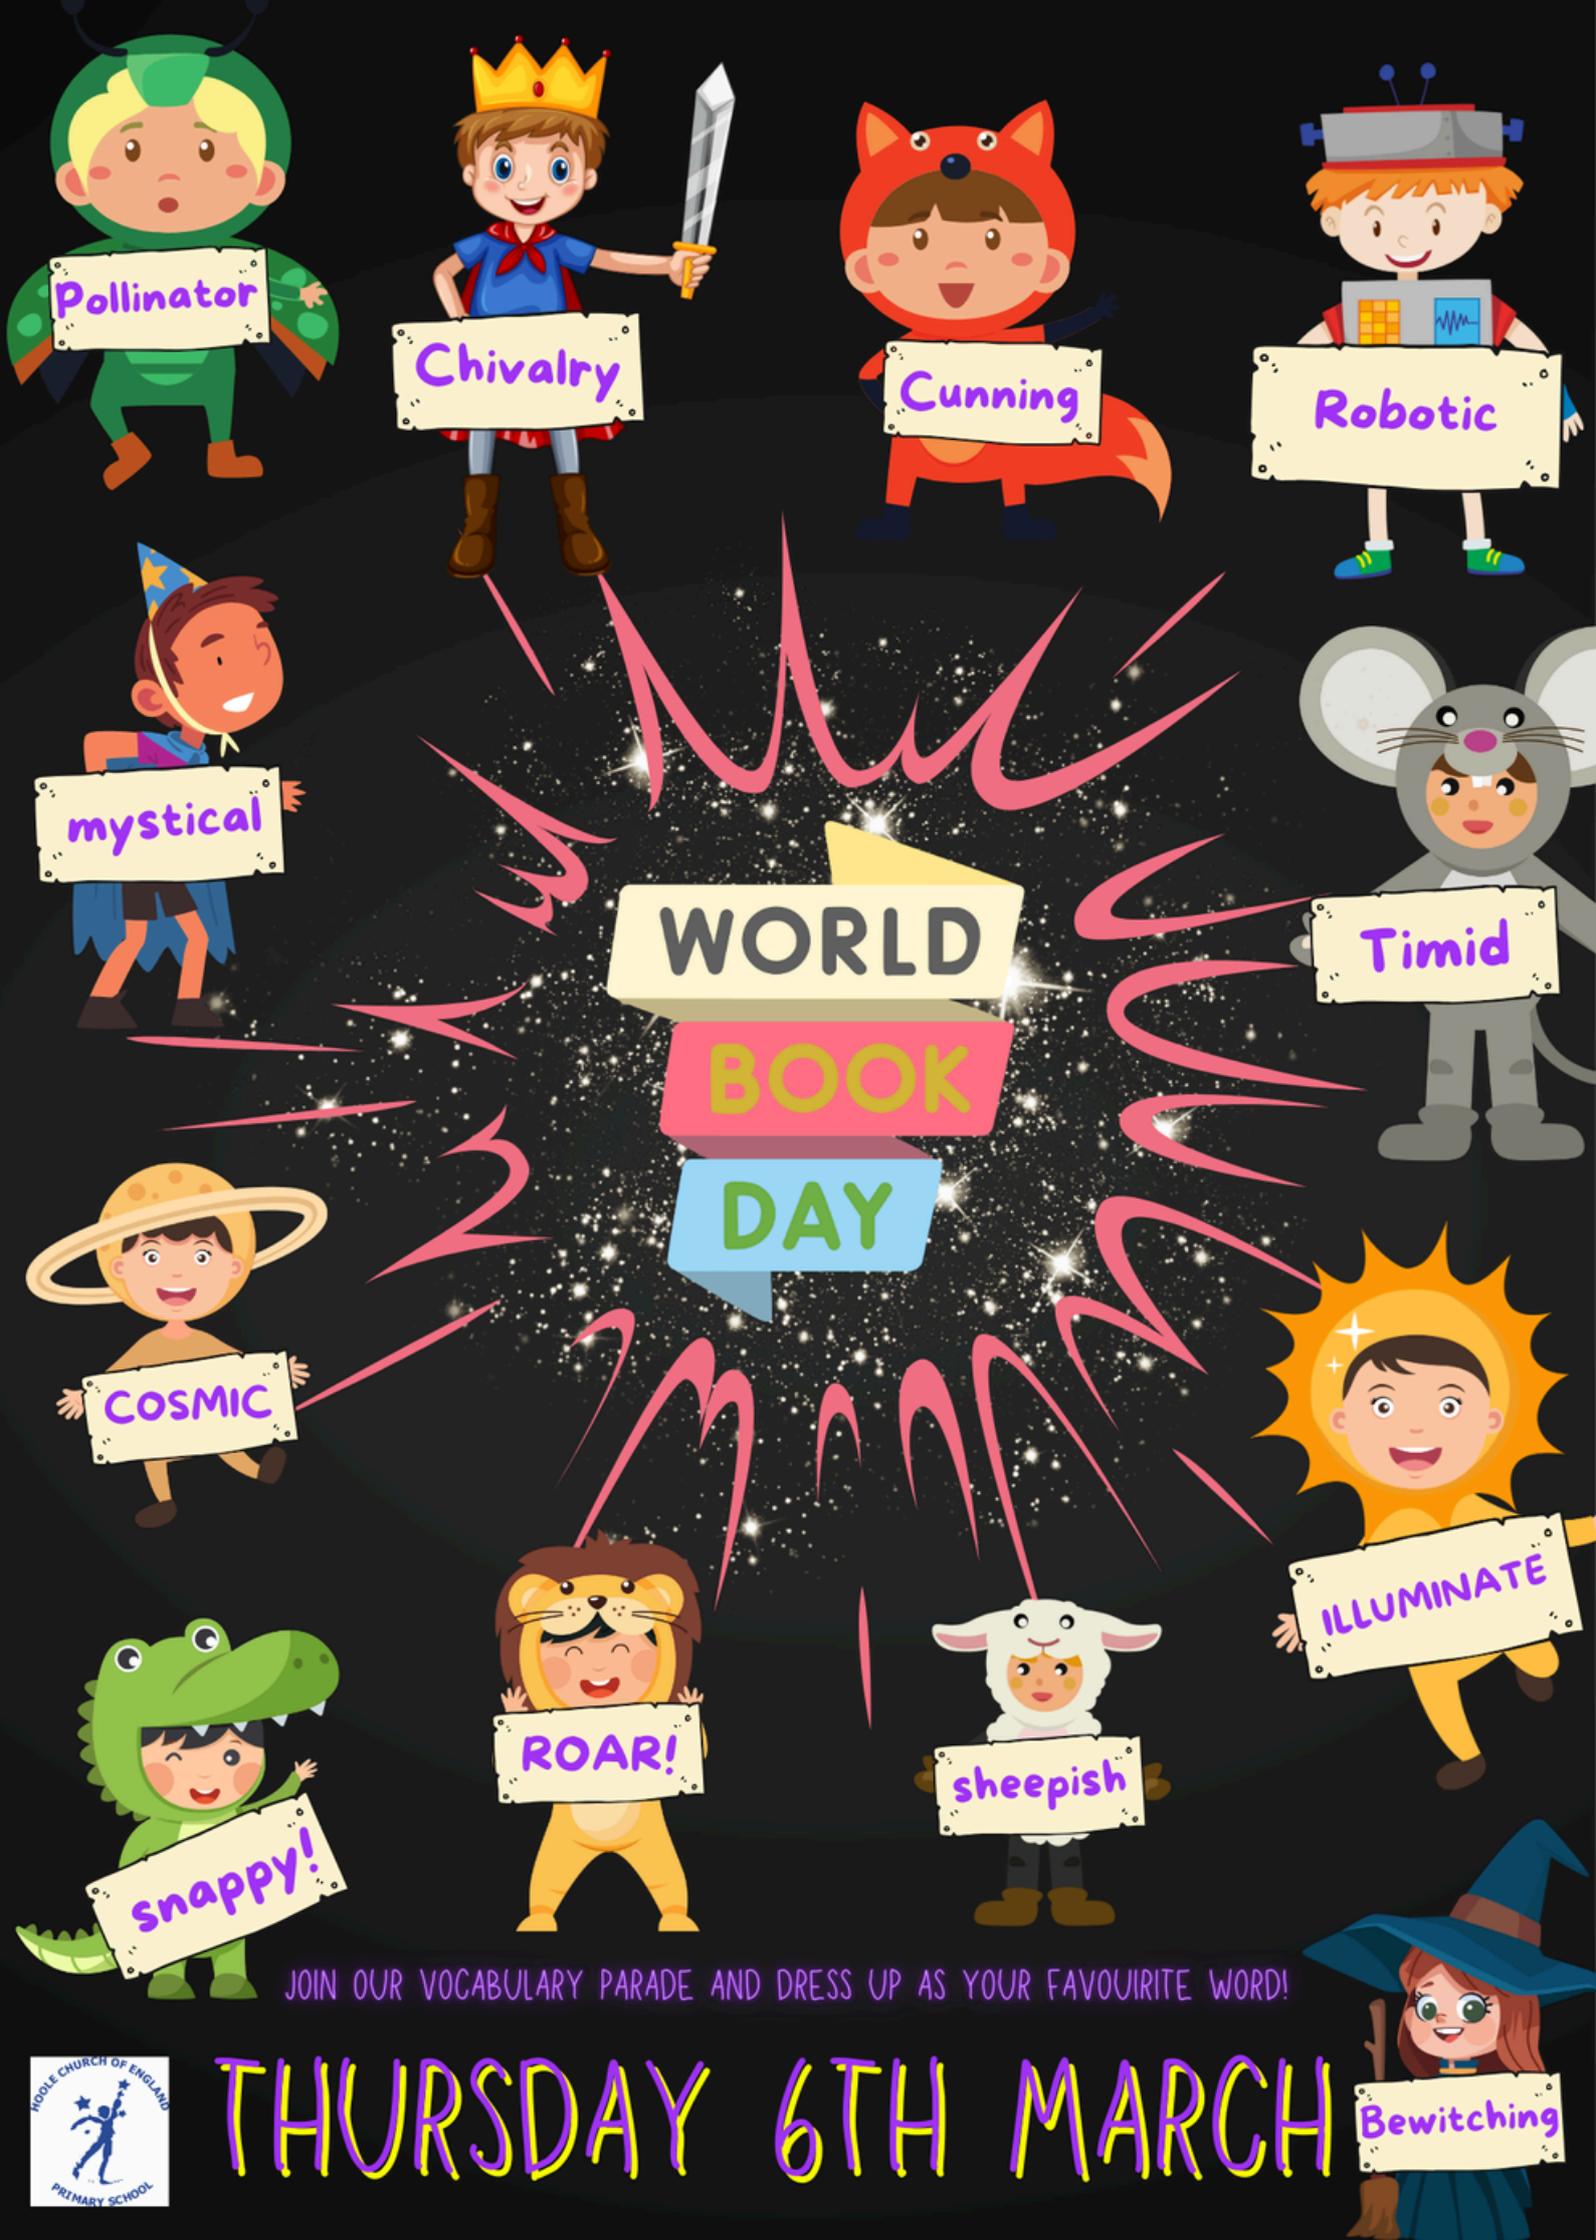

We will be celebrating World Book Day on Thursday 6th March and we are asking all pupils to come to school dressed up as an amazing word for the Vocabulary Parade!

We had some incredible costumes last year and families really let their creative sides fly!

There are loads of ideas online for simple costumes or take some inspiration from our photos below.

Please ensure that your child's costume includes a piece of card with their word clearly written on it and a simple definition of the word.

# Class Worship

This week, children in our class based worship, children learnt about global warming – and the fact that globally last year was the hottest year since records began.

Children learnt that higher temperatures can cause extreme weather and that often the people most affected by this are globally the most vulnerable. They discussed that we all have responsibility towards one another, and that leaders need to listen to all countries and their experiences so that they make the right decisions for everyone.

Children then explored the Christian belief in the kingdom of God, where everyone works together for the good of one another and the Bible verse,  
Micah 6:8 He has shown you, O mortal, what is good. And what does the Lord require of you?

To act justly and to love mercy and to walk humbly[a] with your God.

Questions you may want to ask your child:

Who helps make decisions in our school?

Does just one person make all the decisions?

How can it be helpful to have more than one person making decisions?

Why is it important to listen to different people?

## Friday Assembly

Parents and carers are invited to Friday Assembly when their child's class is presenting. If you are able to join us, please refrain from parking in the visitors car park as the gates will close during the assembly.

Our Spring Term Parent's Evenings will take place after the Spring half-term.

Parents Evening slots can be booked through our website, [www.hooleceprimary.co.uk](http://www.hooleceprimary.co.uk) or the School Spider App.

Parents and Carers will need to login to the school website or the app to be able to book a slot. If you have forgotten your login details, please click on the "forgotten password" link to reset it.

The slots are available on a first come first served basis. We emailed step-by-step instructions of how to book a slot to all parents and carers earlier this week.

If you would prefer a telephone consultation at the time you have booked, please make contact with the School Office via email to [admin@hooleceprimary.cheshire.sch.uk](mailto:admin@hooleceprimary.cheshire.sch.uk), so we can check contact details and update records where needed.

Unless we hear from families, we will assume that parents or carers are attending in person.

# Year 6 SATs Meeting

Parents and Carers of pupils in Year 6 are invited to join the Year 6 Team to learn more about the upcoming end of Key Stage 2 Assessments (SATs) on Monday 3rd February at 5.30pm.

The main purpose for this evening is to provide you with information on the 2025 Key Stage 2 Statutory tests and Teacher assessment requirements for the end of Key Stage 2. The meeting will last approximately 30 minutes.

This is an important time in your child's education and we hope that you will be able to attend the meeting.

If you are unable to attend, we will email the handouts to all families next week.

## Let's Rock!

On Thursday 13th March, we will have a jammed-packed day welcoming Rock Kidz into our school. Their aim is to raise aspirations and educate, entertain & empower children all over the world through music. Throughout the school day, the whole school will be transformed into Rockstars and inspire them to be the best they can be.

We are asking all pupils to come to school in their best rock star outfit as every year group has a workshop rocking out to an original song based on one of our PSHE themes and school values!

After school, Rock Kidz will have a merchandise table of t-shirts, caps and hoodies for sale promoting the positive message the children have learnt about that day.

If you'd like to find out more, check out [www.rockkidzuk.com](http://www.rockkidzuk.com)

# ART AMBASSADORS

Exciting art news! After some very strong applications from the year four, five and six pupils, we can announce that the newly appointed Art Ambassadors for 2025 are...

Mrs Elston is really excited to be working with them on all things 'Art' around the school. One of their roles will be helping to organise 'Art from the heart'. This is a new art focus across the whole school where everyone can take part.

## Art From the Heart this half term: Henry Fraser

To find out more about Henry, please visit [www.henryfraserart.com](http://www.henryfraserart.com). Mrs Elston and the Art Ambassadors invite all pupils in school to reflect on Henry Fraser's art and create their own piece of artwork in response to this.

You might want to try and recreate a piece of art that he has painted, experiment with mouth painting too or be inspired to write a poem or song. Submitted pieces of art for Henry Fraser can be dropped off with our lovely admin team no later than Thursday 13th February. Work will be displayed on our new Art from the heart wall in the large hall and there might even be a prize or two.

# Early Help Navigator Service

We know life isn't always easy – sometimes you don't know where to go for help, you might need a bit of advice or support, or simply a friendly face to talk to about something that's bothering you or your family.

**Early Help Navigators are here to help you.**

- Help you navigate what support is available
- Offer help, support and advice
- Be a listening ear
- Help you to complete forms
- Signpost you to local and national services

It is Safer Internet Week at the beginning of February. Thousands of organisations get involved to promote the safe, responsible and positive use of digital technology for children and young people. Over the next fortnight, we will be providing families with guidance to help ensure your all safe when using the internet or playing online games. See below for some top tips!

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

**NINTENDO SWITCH**

The Switch is a hybrid console released by popular video game company Nintendo in 2017. It's classed as a hybrid because it's designed to be played both at home on a television, like traditional consoles (think a PlayStation or an Xbox) or out and about like a portable console, such as a GameBoy. It uses two detachable and wireless 'Joy-Con' controllers on either side of the console's screen, which can be used by one or two players. The Switch can be played on the internet with the purchase of Nintendo Switch Online, in the living room together or on the go during long journeys, but bear in mind it needs to be charged just like anything else!

# NINTENDO SWITCH

**NINTENDO SWITCH ONLINE**

Nintendo Switch Online is a paid service that allows the console to be played (you guessed it) online, by linking to other Switch consoles around the world. It can be purchased through the Nintendo eShop for a single account on the device, or with a family membership plan which covers 2 accounts. The purchase options come in three tiers: 1 month, 3 months and 12 months but be aware these auto-renew unless you specify otherwise.

**ONLINE DANGERS**

While online, your children will be able to play with and chat to people on compatible games, which will mostly be good-natured fun, but could potentially expose them to vulgar language, indecent images or worse. There are options to limit this though, which are detailed below. It's worth remembering that many games can be played offline, so while it's not essential to get Nintendo Switch Online, it is certainly something to consider.

**NINTENDO eSHOP**

The Nintendo eShop is where games can be purchased over the internet and downloaded directly onto the device. If you choose to enter your bank details (or PayPal account) onto the Switch, you can save them for easy access later on. Do note however that these can be viewed by anybody with access to the console, unless you specify otherwise. A child might accidentally purchase a game or item from the shop if these details are left improperly protected, which could leave you with a nasty surprise.

**NINTENDO'S VIDEO GAME SELECTION**

Nintendo as a company offers some of the most entertaining and safe video games on the market. Games featuring characters like Super Mario, Donkey Kong and Yoshi are always a safe bet for a child-friendly experience. It's always prudent to check each game before you buy it (especially if the game hasn't been made by Nintendo) but as a rule of thumb, anything official containing well-known names like these will be great for your children, giving you peace of mind while they enjoy them.

**PORTABLE GAMING**

Being able to take the Switch anywhere is a huge bonus when travelling. What's more is that almost every game can be enjoyed without the need to 'dock' the console with a television. Battery life on the Switch varies depending on what it's being used for but typically it will last around 3 or 4 hours before needing to be recharged. When the time comes, any USB-C charger will be able to do the job, but it's best and quickest to return it to the dock, which requires a normal plug socket.

## Top Tips For Parents

**PARENTAL CONTROLS**

Nintendo released a free downloadable app that can be used in tandem with the Switch called Nintendo Switch Parental Controls. Once you've got the app on your mobile device, it's a simple process to pair your two devices, giving you a suite of options to help make sure your child is having fun in a safe and structured environment curated by you.

**ONLINE RESTRICTIONS**

Another major inclusion in the app is the ability to block your child from seeing anything to do with age restricted games. There's also an extremely helpful feature that restricts access to games that have free communication features between strangers on the internet. This includes things like private messages and unsolicited images. Should you be concerned that strangers might be using the games to talk to your child, a simple press of a button will disallow any access they might have.

**PLAY WITH YOUR CHILD**

One of the wonderful things about the Switch is that there are an abundance of great games you and your child can enjoy together, and even with the whole family. Nintendo has a long history of making and supporting fun, family friendly games like Mario Kart and Mario Party, both of which can be played with two or more players using the Joy-Con controllers.

**NINTENDO ESHOP SETTINGS**

In the Nintendo eShop you can set up a password to help stop your child or somebody else from accessing any sensitive information, such as bank account details. The options here include entering a password to access the eShop to begin with, when any saved credit card information access is attempted, or when PayPal is accessed. Choosing which areas are password protected helps ensure you're deciding what level of access is given on the device. For example, if you're happy to have your child browse the shop for games they might want, you can allow access to the eShop but introduce the password before a purchase is made ensuring no mishaps occur.

**LIMITING PLAY TIME**

By linking the app with the Nintendo Switch, you can set time limits and reminders when you think enough time has been spent playing. It also lets you see if a game is still being played and gives you the option to automatically put the console into sleep mode if the message is ignored. This should only be used as a last resort though as it could cause some friction between you.

**SET PLAY TIMES**

Another handy feature is the ability to set different playtimes for days of the week, allowing you to tailor play time around you and your child's schedules. This is great for setting boundaries and encouraging gaming as part of a healthy routine. It will also help your child organise with their friends when they can all be online.

**SEE PLAY HISTORY**

The Nintendo Switch Parental Controls app can also send a report telling you how much time your child spends playing each game. This is a great way to spot their favourite or most played games and might be a nice way for you to find out more about a title before talking to your child about it. It could also help identify any possible issues around playtime before they arise.

Please help yourselves to anything available but do leave the hangers so we can replenish with ease!

A huge thank you to all those who have donated items for the cabin. Due to storage capacity, we are unable to take anymore donations at the moment.

An even BIGGER THANK YOU to our lovely volunteers who help us maintain the Clothing Cabin, the Uniform Union and the Story Shack. We really appreciate all your help!

# LETTING THEIR LIGHT SHINE!

Daryna took 1st place in the competition and received a new Platinum level.

Hettie dances with Infinity Dance and performed a solo dance at a ballet competition last weekend and won a medal.

Elliot was awarded Football Start of the Week at PK Sport Football Club!

## Xplore Workshops

We had a brilliant day of workshops in Year 3 and 4 on Monday, delivered by Xplore Learning. The children learnt so much about light with lots of practical activities to investigate the colour spectrum and how our eyes see light. The team were very impressed with the children's prior knowledge, even linking their learning to how solar panels work which is something that we had been learning about in Year 4.

Bioluminescent was one of our favourite words to learn when describing the light from a jellyfish! All of these investigations linked to our core values of Let our light shine! Thank you to Xplore!
