

Dear Parents/Carers,

We recently consulted parents/carers to ascertain your views about our format for school reports. In response to the feedback we received, we have taken the decision to offer additional opportunities for parents/carers to discuss their child's progress across the curriculum with their class teacher(s).

A more concise school report will be provided for your child during week beginning 7th July. In place of an extended report, parents/carers will have the opportunity to book a formal Parents' Evening.
